Sarantis Group, through its subsidiary Sarantis Bulgaria, supported the cleaning of Vitosha mountain.

Over 25 m3 of trash was collected by 500 volunteers with the support of the Group's home care brand Fino.

On June 18th, Sarantis Bulgaria supported c. 500 volunteers who collected over 25 m3 of garbage from Vitosha Mountain.

This is the first event from the initiative entitled **"Together for a Cleaner Vitosha"**, through which the organizers aim to unite institutions and volunteers in various campaigns for the improvement of conditions in the

mountain and taking care of nature. The participants cleaned the ski area and the area of the lift facilities with materials provided by **Fino** – one of the Group's most popular home care brands.

The selected areas are among the most visited sites in the mountain for ski, but after each winter season the amount of waste increases significantly. Therefore, the organization Concept Creative organized the initiative with the support of Sarantis Bulgaria and FINO, Vitosha Ski, and other non-governmental organizations. The purpose of the event is to set a good example by sharing a nice walk in nature with family and friends while picking up the waste scattered around in the mountain.

Recognizing the environmental challenges our planet is facing we commit to play our part by not only to mitigating the Group's environmental footprint through our operational journey, but also by setting a good example and inviting others to join us in contributing to change.
